GRA Nominees for Participation in an Agency Produced Movie

Before any of the persons nominated participate in the production of this movie, it is requested that possible effects on future assignments, PCS or TDY, be investigated and reported to this office. It is reasonable to assume that most of the persons on this list at some time within their careers attend international conferences and engage in area familiarization TDY at least. In addition, some have had, and others may get PCS assignments overseas. This office would not wish to have participation in this activity result in adversely affecting any possible future overseas activities of its personnel.
